J. B. WATKINS & BROTHER

MIDLOTHIAN, VA.

On account of the tight money market and depression in business last fall, we have the following nursery stock on which we are willing to make the following great reduction in price **For this Spring's Delivery Only.**

Our nurseries are annually inspected by State Entomologist and his certificate of freedom from diseases will accompany each shipment.

Shipments may be made in February, March and up to the 10th of April. In addition to this list we have a large general assortment of nursery stock described and priced in our descriptive catalogue which will be sent upon application, but there will be no reduction on any stock not included in this Surplus List.

All stock herein named will be sold under the terms and conditions named in our Descriptive Catalogue. Those desiring to purchase should write for a copy.
